High School District Taxes to Be Lower Superintendent Says

A reduction in tax rate for the Grossmont High School District was announced last week. The rate will be down 17c from \$1.62. New rate will be \$1.45. The budget is up \$345,000, to \$2,899,472, but an increase in assessed valuation drove the rate down. An increase of 10% in assessed valuation is expected by the district. This is mostly due to additional development in the district.

Lewis Smith, district superintendent for Grossmont, said a greater carry-over balance, plus the increased valuation was responsible for the lower rate. It should result in a lower school tax cost for the average homeowner, Smith said.

LETTERS TO THE EDITOR

Dear Editor:

I sorta hate doing this I know now most people are bored to tears with "Letters to the Editor" but it's come to the point where I can't go on any longer hearing our fair little village maligned, and ridiculed. To we "old timers" who love Lemon Grove, her hills, valley and ocean vistas are very real and very dear. For instance when my grandfather 50 years ago came to the Grove, after having traveled all over the world several times hunting a permanent spot and an ideal one in which to settle permanently. He decided it was perfect here, more so than the south of France, around the bay of Naples or Australia, so he built his home on one hill and named it and the street leading to it "Costa Bella," "Belle of the Coast," and settled down to enjoy the perfect weather, the beautiful view and the charming people who lived here.

They were like a big happy family, and all was serenity and peace. Then came progress. Our two stores, Sonka's and Anderson's, were not enough and our library was small. I'm not denying progress is necessary, and the people who came in the majority were fine, but there are a few who give out nothing but pessimistic thought and bickerings. In other words, into our Eden came some snakes and we'd love to have them go elsewhere. This is still a beautiful spot and instead of loud lamentations of what we haven't got, why don't we all get behind the wonderful people here who are really doing things, the fine business ladies' club who are so beautifully fixing up the strip of railroad, making it into a pretty park, and who need so badly, money, shrubs, cuttings and manual labor to complete the job. Or get behind the organizations which are so courageously giving of their time and money to have a park and swimming pool for the children of the Grove, who need it so terribly. Someone who has level land could donate enough for the swimming pool, and when we see all the things which are the most necessary we can go on from there.

This, to me, is still number one on my "place to live parade" and I've seen many other towns also, and lived in them. But anyhow I'm glad at last I've had my say. My friends and I have been seething for a long time.

MARIE HOWELL

I know how you feel, Mrs. Howell. That was my reaction to pay TV.

Dear Editor:

I have been away on a vacation! But on my returning home I found the Lemon Grove Review waiting for me. What a wonderful time I had relaxing and reading. This letter is not for the paper, this is meant for you. May I say thank you from the bottom of my heart for a very wonderful article, in your paper, on our Girl Scout Day Camp. There is still a lump in my throat as I write this.

Although my part was small in the work at Day Camp, I feel as you do about our program as well as any other program which deals with children of our communities. With you behind us how can we fail to wake up sleeping parents of such wonderful people—our future citizens—our children!

God bless you and yours!

Yours truly,

Mrs. Harold Hersh

It was rewarding to me, Mrs. Hersh.

I got a hamburger and roast ing ear, too

Resolve Your Parking Problem, Grove Business People Warned

Charles Kerch, manager suburban commercial property sales for Curtis Coleman and Associates, told the Lemon Grove Men's Club Friday that super-shopping-centers are the "hottest" thing in the investment field today.

Major attraction of such a set-up, Kerch pointed out, is the off-street parking they provide.

"Shopping centers once allowed two times as much parking as they had floor shopping space. Now the ratio is 3 to 1. The newer projects have set 4 to 1 as the desirable ratio," he stated.

"Property values in growing communities such as Lemon Grove force the discontinuance of free parking areas," Kerch said. Such areas as between Piggy Wiggly and the Medical Building, now dedicated to free parking, will some day soon give way to building development by pressure of property value," he said.

Downtown (S. D.) merchants have learned a bitter lesson, Kerch said. "These merchants expect to validate \$175,000 worth of free parking tickets this year. This money could well have gone into permanent parking areas," he said.

Kerch said that super shopping centers have a varied effect upon communities. He showed charts of business in the South Bay area covering periods before and after the opening of the National City Center.

Chula Vista customer count is back to the average it maintained before the center opened, he showed. National City customer level has dropped on Saturday to the total usually counted on weekdays. Weekdays have held steady, his charts indicated. Saturday customer count dropped about 50%.

He told the club that off-street parking by way of parking districts was the only countermeasure communities have against loss of business growth. Business people should take the initiative in Lemon Grove at once to resolve that problem, he stated.

"Hank" Carr will have the program this Friday at the Men's Club.

Cafe Featuring Cocktails and Sea Food to Open on Broadway

There'll be a new dining-drinking spot in Lemon Grove in September according to three restaurateurs who are combining their efforts. Name of the new place will be Club Venicia.

The restaurant and cocktail lounge will occupy a new building nearing completion at 7666 Broadway, just west of McMahon's Furniture Store.

The men, Domenico Megale, Leonard Mercurio and Larry Taormina, all San Diego cafe operators, will specialize in sea food.

Leonard Mercurio, spokesman for the group, said that San Diego products would be featured as far as possible. Mercurio is brother of Joe Mercurio who operates a shoe repair at 3466 Main Street in Lemon Grove.

Megale said that the liquor license is being transferred from their cafe called the "Hole in the Wall" at 224 West C St. The latter will become a beer cafe. They also operate "Charlie's" at Fourth and F Streets.

Some Sort of A LINE

All P. O. Building Bids Out—New Bids Asked for

All former bids for the new post office for Lemon Grove have been rejected and new bids will be requested, it was announced this week by Postmaster Frenchy Faucher.

Bids have been asked and subsequently rejected or cancelled for almost a year.

New bids will be accepted up to and including Thursday, September 8, Faucher said.

Floor space of 4,000 square feet is desired. A set of plans and specifications is available at the Lemon Grove post office.

WIFE BAGS DEER AS EXPERTS 'CACK OUT'

A group of local residents motored to Ventura County last Friday to set up camp and be ready to go deer hunting Friday, when the season opened there. In the party were Mr. and Mrs. Donald Anderson and children, Mr. and Mrs. Walter Maxted and daughter, Mr. and Mrs. Jay Herndon, Mr. and Mrs. Jesse Bower, Mr. and Mrs. Carl Herder, and Lawrence Herder, and some friends from the city.

Most of them left Friday morning, but Peggy (Mrs. Carl) Herder had to work, and hurried up Friday evening.

There had been vast preparations—deer rifles were put in the best of condition, and polished lavishly.

Peggy did not have time for much preparation—not even target practice, which the men had seen fit to do extensively. Peggy used an old rifle which Carl had decided was not quite up to standard.

So—the hunt began, and guess who got the only deer? Yes, it was Peggy.

Businessmen Keep Wartime Friendship Alive

Henry Goldy reads a letter keeping alive a wartime friendship which circled the globe.

—Lemon Grove Camera Photo

Just like clockwork are the letters from Alex Neroda, a Chicago electrical contractor. With the same regularity go the replies from Henry Goldy, operator of Michael's in Lemon Grove. The two men, wartime Marine buddies, have kept the chain linked these many years although early in their association it appeared that half the earth, and even death, had torn the tie.

The men, both Marine Corps enlisted men, found a friendship during the war. They were separated when both were wounded during the invasion of Guam. Sent in separate directions, they embarked upon an almost hopeless search for each other. Here's how it started.

Both men were instructors at the San Diego Marine Base in 1942. Later, both Goldy and Neroda volunteered for a sniper squad and after training together, arrived at New Caledonia but Neroda was transferred to a machine gun outfit.

A few months later while on Guadalcanal, Goldy heard that Neroda was in the area and spent a night in futile attempt to find his buddy. He was threatened with a trip to the brig for awakening tired Marine officers to inquire about Neroda. All to no avail. He lost Neroda's trail.

Finally, during the battle of Bougainville their paths crossed again and fighting and living together they vowed to team up throughout the rest of the war. Goldy wangled a transfer to Neroda's machine gun unit but on

Area to Vote on \$2¼ Million School Bond Issue

A two and a quarter million dollar high school bond issue will be held October 14 to finance a high school to serve Lemon Grove and Spring Valley, it was decided by the Grossmont Union High School board of trustees this week.

The school will be built, if the bond issue passes, on a 52 acre site on Sweetwater Road at Marshall Street.

It will be the fourth high school operated by the district. The three present schools will have a capacity of 5,600 students when school starts this fall. By 1957 an enrollment of 6,800 is anticipated, Smith said. The new high school will provide for 1,500 to 2,000 students. While completion is not expected until September 1958, the basic plant will be finished and may be used to house as many as 1,400 students as early as late 1957.

The district's bonding capacity will be \$1,300,000 next spring, Smith stated. That would require the construction to be broken into two parts. It will not have an effect upon the cost, program or completion, Smith pointed out.

The board also requested the Citizen's Advisory Committee to conduct the bond issue campaign. They were also charged with making a study of the educational program that should be provided from which the board will be able to decide what facilities are needed.

The Dimmer VIEW

By MAX GOODWIN

This is not intended for those who prefer only to read pleasant things... especially if they are about our kids.

I'm going to touch on juvenile delinquency, but just barely, and with a single case in mind though I could do a pretty good all-around diagnosis and tell you also of several current cases in Lemon Grove in spite of the assurance to the contrary given by men of ignoble purpose who claim they must run the gamut of criticism to bring you "honest facts." Their facts were not honest nor were they even facts. The honest fact is that juvenile delinquency does exist in Lemon Grove as it does in other communities.

Let's take the case I have in mind. Johnny X is nearing adulthood. He has a record of a sort over a three or four year period. Nothing bad enough to get him into a place of detention and on the other hand, nothing good enough to excuse some of his more recent peccadilloes. He was never "booked" by the sheriff's department in spite of the fact he had been questioned a number of times.

As of last week, however, Johnny X has a police record. He was booked in Judge Hussey's court in Lemon Grove. The charge was made against the lad's father. Contributing to breaking the curfew, they said. The boy was questioned as he had been before, but there were a couple of bottles of liquor involved this time, but the boy was a little older than before.

It should be interesting to note at this point that the sheriff's department is busier in Lemon Grove than ever before. They are performing a particularly splendid job in keeping down gangs, especially those which gravitate to drive-in cafes and create disturbances such as tossing firecrackers which they purchase in Tijuana. Sheriff's men have also been picking up those guilty of the nuisance of squealing tires as they "drag" away from a stop. The sheriff himself seems determined to stop the spectre of child molestation which reared its ugly head in town recently and got the Business Women's League into a fair sized tizzy, so much so, in fact, that the sheriff's department had a man at their meeting last week to explain how the situation might be coped with.

But I am digressing. It was Johnny X about whom I started discussing. He had a pretty good record in school until about three or four years ago when the family broke up. Raising a young energetic kid is too much for a busy father without the aid of a good woman—so the father, after the divorce, got a housekeeper. He got a rather youngish one to look after Johnny and probably her loyalty was split because it appeared that the kid got less attention from the housekeeper than the father, according to the testimony. However, Johnny could always find sympathy and excitement with the gang and that's where his interest was focused.

The sheriff's department brought Johnny in, and, of course, his father. The charge? Mr. X was charged with permitting his son to violate the curfew, a charge that is being brought with a greater and greater frequency in these outlying areas.

During the testimony the liquor possession question was raised. Johnny admitted he bought it over the border. The money? It came from the doting father who gave him two dollars that evening. As was his custom, the father tossed a couple of dollar bills to the kid and dumped him out on his own.

So you can't get a bottle of tequila for two dollars? Listen to what Johnny says. "I can get a bottle and some other things too in Mexico for two dollars."

There was little question as to what he meant before the testimony was through. The other things involved narcotics. Just the fringe drugs, you understand, but narcotics nonetheless.

That gives you enough of the sordid picture to know what I mean. The father is a shocked and hurt man. The boy has a record from which he will need

A BOMB OR A BABY—A TEA OR A TUSSELE—GIVE US A RING, ITS RED HOT NEWS.

San Diego's Growth Has L. G. Impact Says Charity Study Group

The city of San Diego is the fastest growing city in the nation. San Diego County as a whole is enjoying the same kind of boom. And the surge in population has had—and will continue to have—its impact on the Lemon Grove area.

These are some of the findings of the Continuing Area Study Group, recently formed at the request of United Success to evaluate the social and economic trends of the county.

In the past five years San Diego's city population has surged by 39 per cent to 466,000. The city has climbed from the 31st largest city of the nation to 24th. The county, with an estimated population increase of as much as 37 per cent, has experienced the same kind of boom. It has 750,000 inhabitants today and is the 23rd largest county of the nation.

The greatest growth in the county, CASG reports, has come through immigration. Since 1950 the people who have come to San Diego County to settle have added an average of 30,000 to the population every year.

A bumper baby crop offset by a low death rate has added a natural population increase of 12,500 a year to the county. Last year the county produced more babies than it did tons of cucumbers or avocados. A new baby was born every half-hour at one of the county's 19 delivering hospitals. By year's end the county had seen 20,191 babies into the world.

The impact of the tremendous growth in population can be seen in the Lemon Grove schools. The bumper baby crop is bringing on a tidal wave of youth, according to CASG.

Enrollment in the Lemon Grove School District has gone up from 1,770 in 1950 to 2,812 last fall. It is expected to be 3,970 in October and 6,851 in 1960.

The CASG points out that perhaps the single biggest problem confronting the county is the fulfillment of the needs of its youth. With the tremendous spurt in child population there are wide areas in the county with insufficient supervised recreational programs.

The Boy Scouts, Girl Scouts, Camp Fire Girls, Boys' Club and County YMCA have all reported that they are doing an inadequate job in the Lemon Grove area. CASG says the job cannot be improved unless budgets of these youth agencies are increased.

Pack 315 Tours Miramar Air Station

Forty five boys and 15 parents, den mothers and committeemen from Pack 315 visited Miramar Naval Air Station last week. The Cubs met at the United La Mesa Presbyterian Church at 4426 Harbison Street at 8:15 a.m. At the station they were transferred to Navy buses for a conducted tour of the air station.

Points of interest were a tour of the mess hall and the bakery where they watched the baking of the cakes and breads that are used in the mess hall. They were treated to a freshly baked piece of cake. They also visited the tower where they watched the takeoff and landing of the jet planes. This was of great interest to the Cubs and they spent more than a half hour at this point. From here they moved on to the crash department to view the latest in rescue equipment.

At noon they returned to the mess hall where for a very nominal fee they were served Navy chow. They enjoyed a bountiful lunch of ham and all the trimmings. The Cubs were informed that "they could have all they could eat, but to eat all that they took." They all reported that it was the best food ever and they were stuffed to the fullest capacity.

They returned to 2 p.m., tired but very happy. Today (Thursday, August 11) the boys have journeyed to Oceanside via the Santa Fe San Diego. This is the first train trip for many of the boys. They left from the Santa Fe Station in San Diego at 9 a.m. They will visit points of interest in Oceanside and enjoy a sack lunch on the beach at noon. The pack will furnish drinks for the Cubs.

They will catch the San Diegoan on its return trip at 2:05 p.m., reaching home at 3 p.m.

They were accompanied by the Cubmaster, committeemen and den mothers. These trips are a part of the summer activities planned by Al Keebler, Cubmaster, and the members of the committee. They have also visited the Arden plant.

Pack 315 is composed of boys from Vista La Mesa and La Mesa, and are sponsored by the United La Mesa Presbyterian Church.

It is strange how the man who endorses notes usually gets an opportunity to pay some of them.

Devotions will start at 12 noon followed by luncheon and a program at 12:30 p.m.

The Mary Martha circle will meet August 25 at the home of Mrs. Helen Johnson, 1400 Skyline Dr. Dessert luncheon will be served at 12:30 p.m. followed by devotions, program and the regular business meeting. A rummage sale is planned for September 8. The Christmas card preview will be held in September at 8019 Darryl.

The Suzanna Wesley circle will meet August 25 at 7:30 p.m. at the home of Mrs. Jean Hansen, 718 Beacon Dr., San Diego. A "Hubby" night is planned.

W. H. Lehmann Has 88th Birthday

W. H. Lehmann, a Lemon Grove real estate broker who might well be the oldest real estate man in the community, in years of age, that is, celebrated his 88th birthday last week.

Born in Nemaha County, Kansas in 1867, Lehmann came to San Diego County 13 years ago.

His grandparents were among the first settlers of St. Joseph, Missouri, in 1846, Lehmann said. He was a lad in Nemaha County when the nearest store was 75 miles away, and when the family went shopping it was by ox cart and the trip took two weeks, he said.

Lehmann is still active in real estate business in Lemon Grove.

Youths Pay Dearly for Alcohol Possession

Three youths, one 16 years and two 19-year-olds, were arrested near Jamacha Junction last week by Sheriff's Deputies Bryan and Ticknor, for having alcohol in their possession. Two pints and a half pint flask of Tequila were purchased in Tecate, in preparation for a party to be held later in the week. Since it is very much against the law for persons under 21 to have alcohol in their possession, Judge Hussey imposed a fine of \$50 and 90 days in jail suspended, and two years probation, on the 19-year-olds. The 16-year-old, who got one swallow of the fiery liquid as his share, was remanded to juvenile court. The flask and one of the pints were still sealed when brought into court.—D. H.

SCREENING FOR HOSPITAL DUTY NOW UNDERWAY BY AUXILIARY

by Mary Landesco
 With the opening of the new
 Crossmont Hospital set to take
 place about August 15—many of
 the hospital Auxiliary's commit-
 tees as well as individual mem-
 bers will take on new duties and
 responsibilities. Among the former
 is the volunteer services com-
 mittee which, as its title implies,
 has to do with providing volun-
 teers for various special hospital
 services. Mrs. Herbert Thompson,
 La Mesa, is chairman of this com-
 mittee; Mrs. Louis Peelyon, Flet-
 cher Hills, co-chairman.

Thus far, the volunteer ser-
 vices committee has performed a
 threefold function: it has kept a
 record of service hours turned in
 by each active member of the
 Auxiliary; it has screened all
 members who wish to work for
 the hospital; and it has prepared
 a service manual of information
 and instruction for the member-
 ship.

Each active member is pledged
 to serve eight hours per month—
 in or out of the hospital; a total
 of ninety-six hours annually. The
 records of hours served will be
 used as a basis for Hours Awards
 that will be made by the Auxil-
 iary at interval to be announced.

Screening established aptitudes,
 skills, experiences, and prefer-
 ences; providing a basis for as-
 signments to the special services,
 in-hospital and out. With a mem-
 bership exceeding five hundred,
 screening not only involves hun-
 dreds of individual interviews,
 but, card-indexing and filing as
 well; also, making up volunteer
 lists that were turned over to
 the chairman of the special ser-
 vices. The screening was done by
 Mrs. Thompson, Mrs. Peelyon,
 and a special screening com-
 mittee: Mmes. George Springer,
 Frank Higgins, Clifford Leach,
 Benjamin Polak, C. R. Job, and
 LeRay Edwards, La Mesa; and
 A. L. Ballantyne, El Cajon.

For the future, screening will
 apply largely to new members,
 while service hours record-keep-
 ing will be stepped up as the var-
 ious in hospital services are in-
 stituted with the hospital's open-
 ing. When that time comes, the
 volunteer services committee will
 have general charge of the entire
 in-hospital service program, al-
 though each individual volunteer
 who works in the hospital will be
 directly under the supervision of
 the chairman of the special ser-
 vice to which she has been as-
 signed; that is, hospital, li-
 brary, gift shop, clerical, etc. etc.
 A special committee has been
 formed to handle problems in-
 volved in establishing and super-
 vising the in-hospital volunteer
 program; made up of one mem-
 ber from each of the nine areas
 covered by the Auxiliary, with
 Mrs. J. Foster Coats, president,
 representing the Auxiliary as a
 whole. The area members are:
 Mmes. Frank Deerr, Alpine; Wal-
 ter Rossberg, El Cajon; Louis Peelyon,
 Fletcher Hills; Whitney Hin-
 dies, Grossmont; Herbert A. A.
 Thompson, La Mesa; W. E. Her-
 bert, Lemon Grove; Fred Car-
 michael, Spring Valley; Perry
 McDonald, Jamul.

CARR'S CORNER

The exchanging of presents is
 an ancient and honorable custom
 that has come down to modern
 times with little change in the
 human feeling involved; the
 pleasure of giving to and of re-
 ceiving from a fellow being, a
 friend. The receiver is made hap-
 py, not by the gift alone but by
 the knowledge that he is esteem-
 ed by the giver. The giver's thrill
 comes from the light of pleasure
 in the receiver's eyes. It is only
 natural that the giver hopes to
 be long remembered and there-
 fore the desire to give some-
 thing that is good and lasting.

We at CARR'S never forget
 this fact and the gifts we offer
 are good and lasting and insure
 the giver's being remembered for
 many long years. Our things are
 in the best taste and you can
 depend on that, too. There are
 thousands of items to choose
 from—more than almost any
 shop in town and our prices are
 the same or lower.

The appearance of a gift is of
 utmost importance and we wrap
 things prettily, at no charge, of
 course.

ERNEST HALL PASSES AT 48

Ernest Hall of 9424 Barbic
 Lane, 48, a veteran of World War
 II, passed away at his home, Sat-
 urday, July 30, after a long ill-
 ness.

Mr. Hall was born in Clinton,
 Illinois, and had resided in the
 San Diego area for about five
 years. Besides his wife Clovis,
 he is survived by a brother,
 Wayne, of Pontiac, Michigan, and
 a sister, Mrs. Alta Nicewender,
 of Flushing, Michigan.

Services for Mr. Hall were held
 at Greenwood Mortuary last
 Tuesday. Entombment was in the
 Greenwood Mausoleum.

55 Youngsters Enjoy Overnight Camping Trip

The Lemon Grove Firemen's
 Auxiliary sponsored the annual
 overnight camp at Oakridge, near
 Suncrest, last Friday night. The
 party of some 55 youngsters, girls
 and boys, aged 8 to 12 years, were
 taken in school buses to the camp
 site leaving at 1 o'clock Friday
 and returning Saturday at 3:30.
 Games and a movie featured
 the evening's entertainment and
 a hike Saturday morning fin-
 ished the festivities.

The ladies of the auxiliary did
 the cooking. This event is an an-
 nual affair, and is a part of Lem-
 on Grove's recreation program.

Louis Poluzzi, director of re-
 creation for this area, and Mike
 Colderone directed the getting of
 supplies to the fire house and
 supervised the program.
 A good time was had by all.

GIRL SCOUT DAY CAMP LEADER SAYS 'THANKS'

By MRS. HAROLD HERSH

To say thank you for a job
 well done is just so many words
 —but if I could in some way,
 express my appreciation, to all
 of the adults that took part in the
 work at our Girl Scout Day Camp
 this year. Your job was far hard-
 er than mine. You have given to
 each girl a two weeks of fun,
 pleasure, help and a feeling of
 being wanted. That is what made
 our camp a success. I have
 learned a lot this year. Day
 Camp is fun and maybe more
 parents will want to help next
 year and make it a bigger and
 better success. I hope and pray
 they will. So again I say thank
 you—it was a pleasure to work
 with each and every one of you.
 Perhaps we have met for the first
 time but I hope not for the last
 time.

On behalf of all Girl Scouts
 from the ages of 9 through 13
 and over 21, I want to say thank
 you to Tony Sonka for his gen-
 erosity in permitting us to use
 the site for our Day Camp this
 year. Without the site we couldn't
 have had such a wonderful camp.
 Also many thanks to Mrs. John-
 son who helped us by keeping the
 dates of our Day Camp open
 so we could use the Youth Center
 facilities.

\$3.95 FOR A HOLLYWOOD
 COLD WAVE

including
 SHAMPOO & HAIRSTYLE

WHY PAY MORE

when you get a complete fabu-
 lous Hollywood Creme Cold Wave for only
 \$3.95 (contour modeled hair shaping with
 cold wave is \$1.00 extra). Too good to be
 true in these days of pinched budgets,
 isn't it? Why not plan now to visit your
 nearest Hollywood Beauty Shop—six of
 them, all at street floor locations, all spa-
 cious, artistic, scientifically lighted and im-
 maculately clean.

Hollywood Creme Cold Waves (tested by
 thousands) are effective for all types of
 hair—dry, fine, white, grey, the long or
 the short. There are none better and the
 story behind this fabulous Cold Wave is
 VERY important.

Realizing that the solution is the most im-
 portant factor in the field of cold waves
 and must consist of nothing but the finest
 ingredients, the solution used in this
 wonderful Hollywood Creme Cold Wave
 was developed by an expert after long re-
 search, and a day-by-day vigil is kept to
 assure it of improvements the finest to be had.
 this marvelous solution the finest to be had.
 Solutions MUST NEVER harm the hair or
 scalp!

Knowing how to apply the solution is of
 equal importance in giving you the finest
 wave, a Hollywood Cold Wave. Kenneth
 Priest, owner of the Hollywood Beauty
 Shops, emphatically states that a quality
 Cold Wave CAN NOT be accomplished by
 production line methods so at Hollywood
 the patron receives the personal attention
 of one operator the entire time. Every
 operator is specifically trained in Holly-
 wood methods and is not employed with
 less than five years experience. (A very as-
 suring factor).

Because of the high efficiency maintained
 in Hollywood Shops, there can be no shod-
 dy work or improper materials. Whatever
 type her hair may be, it will come out just
 curly enough, soft to the touch, springy,
 long lasting and natural looking.

to prove himself in future life. And there will be considerably more such arrests as the sheriff's department takes on their full responsibilities. I sincerely hope the sheriff will invoke the curfew law in the Lemon Grove area to its full intent. The law is not intended to harass families whose children are on dates, at shows or at parties at a fairly reasonable hour though they may be returning home well after the curfew.

I think you will agree to the need for closer supervision of youngsters who tend to "gang" and "pack." Most kids are strong and can resist temptation, but there is always one or two who are weak. The attention and sympathy he fails to get at home he then buys through his weakness. Occasionally these problems are given to our courts to resolve, but usually that's several years too late. It is then when the veil of unawareness is torn from the parents' vision with the impact

Congregational Church Group to Have Treasure Hunt

A mysterious treasure hunt beach party is the next planned attraction of the newly formed Couples Club of the First Congregational Church of Lemon Grove, according to Gene and Marian Norman, couple presidents. The date is Saturday, August 20. Time is 6 p.m. The point of departure is Main Street in front of Friendship Hall. The destination is a well-guarded secret. Cars will be required to travel in caravan in order to get where the treasure hunt is going to be.

This is another event in the Couples Club program designed to enhance the social life of young married couples who are friends and members of the First Congregational Church. All young and not-so-young couples in the church are invited to join the Couples Club or to participate in the club's social activities.

Train of Empties on S. D. & A. Railway

Ten "empties" (box cars, a gravel dump car and a caboose), San Diego bound, rode the rails Tuesday p.m. This reporter remembers when two round trips daily with a mixed train was the rule between San Diego and Lakeside, and Lemon Grove had a station to stop for. Col. Bryan's home was just east of the station, and was attractively landscaped. This was more than 50 years ago, when Ed Doyle was the engineer, and we sometimes rode in the cab with him — D. H.

Your church is still open every Sunday, if you hadn't noticed.

WARTIME FRIENDSHIP

(Continued from Page 1)
the first day of the Guam invasion Neroda was hit by a sniper's bullet, and Goldy, caught in the swirl of battle, was unable to get to his wounded buddy. He inquired of every stretcher bearer and hospital corpsman for news of Neroda and if he still lived.

In the second day of fighting a Jap artillery shell fell near Goldy's machine gun emplacement. Bleeding profusely from internal injuries from the concussion and with his body torn from nearly a dozen shell fragments, Goldy was carried to a hospital ship in the harbor.

When he regained consciousness, his first inquiries were about Neroda and heard that Neroda's injuries were serious but not fatal... and that he too was on a ship headed for Honolulu.

Again the pursuit started and Goldy directed the search through nurses and hospital corpsmen, but Neroda could not be located.

While in Honolulu, while he was still hospitalized, Goldy continued the search of the hospitals on the island with the aid of the hospital personnel. When he was sent back to the United States he hoped that Neroda had preceded him.

Sent to a Navy hospital in Shoemaker, California, making a total of 13 months abed, Goldy searched but was unable to pick up the trail. Eventually he was given his first 14 day sick leave to visit his wife and family in San Diego. Arriving in San Diego via milk train during the wee hours, he checked in at the Marine base.

The following morning, waking refreshed and anxious to meet his family, he stretched, yawned and looked down the line of sleeping Marines around him. There a few beds from him, lay Neroda!

The end of the story has not yet been reached but events following their San Diego meeting are much what you'd expect. They maintained their friendship and both became successful businessmen. They correspond regularly and each family visits the other when time and circumstance permits.

A Hollywood movie outfit purchased the rights for their story but have not yet used it. The money was paid into a Marine Corps charity fund.

There are, as you can see, some happy wartime stories.

LOCAL HOUSEWIFE WINS GIVE-AWAY CONTESTS

The Bradley children, Charles and Debbie, 3808 Riviera, are real proud of Mommie these days. Mommie (Mrs. Charles Bradley) just won them a bunk house in a "Name the Pony" contest which was sponsored by Post's Cereals. The bunk house was given for third place. A pony was first prize, a swimming pool was second. Mrs. Bradley sent in nine entries. "I don't know which one won," she said.

Mrs. Bradley also won a necklace and earring set the week before when she entered a contest given by Torchy Animal Crackers.

About three years ago she won \$25 in a contest put on by Kleiner Rubber Corp. She has also won several appliances and minor prizes on radio quiz programs.

"I'm really going into contests in a big way, starting right now," Mrs. Bradley said.

Mrs. Bradley is in the Navy.

Aviatix Tells Business Women's League of 'Powder Puff' Trip

By MRS. ABE GOLDBERG

"Next year we are going out to win, not just to come in first as we have in the past three years—it can be done!" These were the very emphatic and famous last words made by Mrs. Isabelle McCrae, local nationally known aviatix, at the dinner meeting of the Business Women's League held Thursday, August 4 at Michael's.

Mrs. McCrae and her co-pilot, Mrs. O'Neil, who were honor guests of the league for the evening, collaborated in a very informal, impromptu account of their recent flight in the Powder Puff Derby. From their calm account the audience was left with the impression that the jaunt to Springfield, Mass. and return, with side trips to Niagara Falls and Nebraska (because the falls presented itself) was more like a Saturday afternoon shopping spree in Lemon Grove—not the hazardous trip it actually was, with the unfavorable weather and mechanical trouble they encountered.

Mrs. Gerald Howell, vice president and program chairman, presented the guest speakers.

Favors at each place setting were miniature paper planes with powder puff trim.

Mrs. Calvin Nicholl presided during the business session when routine reports were made by the various chairmen. Mrs. Nicholl reminded the members that the luncheon meetings would be resumed in September, in addition to the dinner meetings.

Mrs. Burton Snyder, membership chairman, introduced each member and guests present. Mrs. Ann Arnold was welcomed as a new member.

Mrs. Grant Hadley, social chairman, and her committee are planning a spaghetti supper for the members and their escorts, to be held at Casper's Ranch Saturday, September 24.

Mrs. Marjorie Rogers, known professionally as "Margie" of radio station KGB, San Diego, a guest at the dinner, announced that each Tuesday at 12:05 p.m. would be Lemon Grove Day and time on her guest interview program, and her first participants representing Lemon Grove would include Mrs. McCrae and Mrs. O'Neil.

He that talketh what he knoweth will also talk what he knoweth not.

DEADLINE SET FOR STATE ENROLLMENT

Saturday, August 20 is the last day students may apply for admission to the fall semester at San Diego State College.

Incoming freshmen will take qualifying examinations on that day if they have not already done so. This will be the last opportunity to qualify for admission in September. Reservations for the tests must be made by Saturday, August 13.

Transfer students must have official transcripts on file also by August 20. New students will attend the testing and advising program September 12-14 before registration September 14-16. Classes will begin September 19.

Applications for admission and for the freshman tests should be filed at the Admissions Office, according to A. E. White, admissions officer.

Tuna Fisherman Wives Group to Speak At Local Demo Meet

Permanent meetings of the Homeland Area Democratic Club embracing Lemon Grove, Spring Valley, Casa de Oro and La Presa, will be inaugurated this Friday, August 12 at 8 p.m. in the Lemon Grove Golden Avenue School, room 10. Newcomers welcome and membership is not necessary to attend. A social period with refreshments follows the program. Speaker will be a representative of the Tuna Fishermen's Wives Emergency Committee.

Educational and political action forums have been set up for this fall, continuing throughout the year's activities. Since the Golden Avenue School is so conveniently located, the group will hold all regular monthly meetings there, the second Friday evening of each month.

For information call the program chairman, Mrs. Chas. D. McKenzie, 8035 Darryl St., HO 9-2916.

Newly appointed chairmen of standing committees are: Bird Garrett, Mrs. Mabel Geyer, Betty Newman, Harry Robinson and Mrs. Ted Phillips.

REBEKAHS TO MEET AT MRS. FISH'S HOME

Mesa Jewel Rebekah Lodge No. 409, Independent Order of Odd Fellows, will meet on August 17 at 8263 La Mesa Blvd., at 7:30 p.m., with Mrs. Ima Masters, noble grand, presiding, assisted by Mrs. Madge Huber, vice grand, for the business session. Mrs. Velma Hall is chairman of refreshments. August 11 the Sewing Club will meet at the home of Mrs. Lucille Fish, 5920 Redwood, at 7:30 p.m.

August 16 at Ramona, 10 a.m., Nueve Rebekah Lodge No. 392 will hold the School of Instruction with the president of the Rebekah Assembly, Mrs. Erma Freeman giving the ritualistic work, and will be held at the Odd Fellows Hall, with each lodge of District 54 exemplifying some part of the work. Mrs. Roline Kay, district deputy president, will be in charge.

Luncheon and dinner reservations are under the direction of Mrs. Mary Odgers.

Methodist Youth Completes Witness Mission

The youth of the Lemon Grove Methodist Church have been sponsoring a Christian Witness Mission this past week. During the week, many activities were held for new members who were brought into the Methodist Youth Fellowship.

Some of these activities included a party Friday night attended by 33 young people, the organization of a Youth Choir with 17 members, a Sunday morning Youth Breakfast to which 25 came and the Sunday Night M.Y.F. program with 33 youths present.

During the week, four youth especially trained in the La Mesa Christian Witness Work Camp, led local youth in a program of youth visitation evangelism. Forty-eight interviews were made with 29 commitments to the Christian life being made. Twenty-one of these stated they desired to become active members of the Methodist Youth Fellowship. The campaign was a great success according to Dan Newburn, coordinator of the team.

Other youth on the witness team included Jessie Glasgow of Riverside, Judie Hedgpeth of Phoenix, Arizona, and Lois Mock of Vista.

Much of the success of the campaign was due to the work of local committee chairmen including: Jo Zeiders, housing; Dorothy Berger, food; Larry Hansen, transportation; Norma Denison, publicity; Anna Harlan, prospects; and Jim Henderson, worship.

The local M.Y.F. will, as the result of this mission, be forming a "Minnow Men Club" comparable to the adult "Fishermen's Club" for the purpose of continuing to visit new prospects for the church among local youth.

Grossmont Auxiliary Calls Board Meeting

Mrs. J. Foster Couts, president, Grossmont Hospital Women's Auxiliary, has announced a meeting of the auxiliary's board and standing committee chairmen, to be held on Friday, August 12, 10 a.m., at La Mesa Educational Center, 4750 Date Street.

"A full attendance is imperative," said Mrs. Couts. "Anyone concerned who cannot attend, should appoint a deputy who will be able to report for her, and to carry back a report of what takes place."

The proposed changes in by-laws will be the main issue for consideration; however, as this will be the last meeting prior to the opening of the hospital, there are many other matters to be discussed and decisions to be made which will affect the auxiliary's future activities and relationship with the hospital.

There will be no general meeting in August. Any area meetings that may be held will be announced later.

Auxiliary members who have ordered uniforms are requested to pick them up at the August 12 meeting. Mrs. Charles Reether, uniform chairman, will have on hand enough to fill orders, and to supply any other members with in-hospital assignments, who may wish to purchase them.

Vicar Bartlett Is on Staff of Episcopal Camp

This week the vicar of St. Philip's Episcopal Church, the Rev. J. Phillip Bartlett, has been a member of the staff at the Episcopal Camp near Julian. Camp Stevens has been a busy place this summer with groups of campers in succession, supervised by Episcopal ministers of this area.

The Woman's Auxiliary has slated August 23 for the next Summer Card Party.

During the summer the Sunday Services at St. Philip's are at 8 a.m. and Family Worship Service at 9:30 a.m.

SABRA KEPHART TO BE CREMATED

Sabra E. Kephart, 84, of 7810 Lansing Dr., Lemon Grove, passed away on Saturday. She had lived in Lemon Grove for six years and was a member of the Seventh Day Adventist Church. She is survived by her husband, Sullivan Bert Kephart and two sons, Ray and Lewis Kephart. Services will be held on Thursday, 3 p.m. lived at 2414 69th St., Lemon Grove, passed away in her home.

MRS. KING PASSES AT 32

Edna King, 32, who lived at 3267 Acacia St., Lemon Grove, passed away in a local hospital on Sunday. She is survived by her husband, Fordyce King, who is with the San Diego Gas and Electric Company. She was a member of the Lemon Grove Congregational Church.

Tickets for Sheriff's Rodeo Go On Sale

Tickets went on sale in the area this week for the San Diego County Sheriff's Relief Association Rodeo to be staged at Del Mar Fairgrounds September 24 and 25.

Lt. Tom P. Isbell, president of the association, appointed Lt. Fred N. Mann as rodeo chairman and Mann and his committee have been working overtime to give the citizens of San Diego County a top-flight rodeo. Mann has signed Andy Jauregui, nationally known arena director, to stage the show and also to provide the stock Jauregui, of Newhall, California, together with his assistant, Monte Montana, will stage a fast-moving action-packed two hour show.

The rodeo will consist of six events—team roping, calf roping, saddle bronc riding, bareback riding, bulldogging and bull riding. There will be a purse of \$2,500 added money to the contestants, which amount is considerably larger than other rodeos given in Southern California, and should attract the nation's top rodeo performers.

This show will be a Rodeo Cowboy Association approved event and the Sheriff's Rodeo will be the first world's championship rodeo staged in this county. The show itself is to be produced and promoted entirely by members of the sheriff's organization without benefit of outside professional assistance. The entire proceeds from the show will be used by the relief association to aid members and their families, financially and otherwise, in times of illness and death. It is believed that in keeping the general admission tickets at \$1.50 plus ample free parking within the Fairgrounds area, everybody will be able to enjoy a wholesome afternoon of high class entertainment at a price well within reach of all.

When you have something to sell, the columns of this newspaper are your best bet to sell it.

Dachshund Club To Show Late This Month

Over 100 entries are expected in the San Diego Dachshund Club's First Specialty Show, to be held August 28 at Sixth and Palm Streets, Balboa Park.

There will be 42 classes for the smooth, wire-haired and long-haired dachshunds. There will be no admission charge.

Silver and silver plate trophies will be awarded for first, second and third place winners, and for obedience and junior showmanship. Trophies will also be offered for youngsters who wish to enter their dachshunds. This will include children of the 8 to 11 year group and those of the 12 to 16 year group.

Entry forms may be obtained by addressing the club at P. O. Box 5196, San Diego. All entries must be in by August 15. The well known dachshund authority, Grace Greenberg, will be the judge.

There are several dachshund breeders in the Spring Valley-Lemon Grove areas. (The Bulletin would like to have information from these people from time to time.)

Mr. and Mrs. H. J. Goode of 8667 Tyler Street, here in Spring Valley, have won several awards for their dachshund "Baron Timmy Von Goode." Their most recent showing was at Long Beach on June 25, with the Harbor Cities Kennel Club. The baron took first place. The time before, at Azusa, with the San Gabriel Kennel Club, he took the winners dog award. He has been shown five times to date.

Mrs. Goode made her first TV appearance with the baron on Channel 10, KFSD, on Saturday, July 23.

PEAS BLOCK TRAFFIC

MANKATO, Minn.—Traffic was halted for some time on U. S. highway 169 when eight tons of shelled peas spilled onto the highway, making the road surface so slick and heavy that traffic was impossible. The peas, being transported in nine large tanks atop the flatbed of a truck, were dumped on the road when the truck's front wheels locked on a turn.

Dis 'n Dat . . . Jim Goodwin, Helix alumni, is in a title role of "Romeo and Juliet" at the Idyllwild Shakespeare Festival, which opened last week at the Idyllwild Arts School. . . Leading pop tune: "Rock Around the Clock" by Bill Haley and his Comets. . . Now playing at the Grove Theatre: "Sea Chase" and "Smoke Signal." . . Art Powell and John Adams are among the early group accepting invitations to the fifth annual All-Star charity football game here August 31 in Balboa Stadium, Chula Vista.

Chet DeVore is assistant coach for the All-Southern Cal boys. . . Herbert McMaken, 17, of La Mesa, who was graduated from Helix last June, won three awards totaling \$250 in the ninth annual Industrial Arts Awards competition sponsored by the Ford Motor Company. Helix placed first, third, sixth, seventh and eighth out of eight possible winners. Helix bread winners were: McMaken, Peter Larson, Pat Chiville, Mike Dacy and Jo Ann Johnson. . . "The Sabbath was made for man, not the man for the sabbath." Mark 2:27.

Summer Doin's . . . Bill Burns is working seven days a week at Sol's Auto Supply and at a local fish cannery. But don't feel sorry for him—he's doing this on his own accord, and besides, he's of age. . . Wendell Murdock works evenings at an East San Diego gas station. . . Russ Kennedy is still a co-partner with Bill Wilson in the Bill Russell band. . . Ruth Tipton loafs the summer days doing a lot of nothing. . . Fred Stemen fits along the same lines as Ruth. . . Dick Skrivaneck is working in the Industrial Center of La Mesa. . . Lanny Ross is playing the role of milkman.

R. G. Richardson is still a Mayfair employee. . . And Tom McCabe is still trying to keep his car chugging!

Your School Leaders! . . . Carol Wilson, Lemon Grove gal, is Commissioner of Cultural Affairs. Carol is going to try to have more assemblies with greater variation in entertainment for this year. She'll work to have the homecoming game the best ever. Carol served as twirling major-ette for the band last school year and now spends her time at the L. M. youth center as a dance and baton specialist.

LILLIPUTIAN LOS ANGELES... might be one description of a Diorama model of the Los Angeles basin that will be a "backdrop" for an exciting show called "The World Beneath Us." Built to a scale of one inch to 100 feet, the model is still so accurate that hundreds of buildings and landmarks are clearly recognizable. "The World Beneath Us" is one of many startling exhibits in the Tomorrowland realm of the new park.

(Note: This is the second in a series of three articles on Disneyland park in Anaheim. The first article dealt with the era of 1900 as depicted in Main Street and Frontierland, now we go to the era of 1986 in Tomorrowland.)

If visits to Main Street and Frontierland can be described as a mixture of fun and nostalgia, then a trip into Tomorrowland will certainly be termed a taste of fun in the future.

Swinging right from the Plaza, you will see the modernistic buildings that house exciting exhibits of scientific conquest and achievements to come. The entrance to Tomorrowland is marked by a huge "Clock of the World" that will tell you what time is anywhere... on this earth.

Tomorrowland is a "showplace of magic and facts" that represents an attempt to show what the future may hold for all of us. Transportation and communications as they may be many years hence—even food service and amusements as they probably will be in the near future.

One of the features in Tomorrowland is a spectacular show, "The World Beneath Us," which tells the three-billion-year history of the earth and the adventurous story of the development of Man.

As an example of the length to which exhibitors have gone to provide unique entertainment, the "World Beneath Us" show is made up of three parts, any one of which could be an engrossing show in itself. They are: A CinemaScope-Technicolor cartoon created by Walt Disney studios; A Diorama model of the Los Angeles basin that is a three-dimensional view of the entire area; a working model of an underground oil reservoir that shows the powerful forces that exist beneath us and how these forces are used by Man.

And it's free, as are many other exhibits in the Tomorrowland realm.

Another exciting show is Cinerama, in which viewers see film images all around them. Going Cinerama one or two better, Cinerama uses several projectors to flash images in all directions in a circular area, so that moviegoers feel completely "in the middle of everything."

Of course the world of the future has a full share of "rides." After you've "gone underground" at the "World Beneath Us" show, you can take a simulated trip in the "Rocket to the Moon," where you feel the thrust of a pet take-off, and experience the sight of a disappearing earth and rapidly approaching moon.

If you want more aerial adventure, you can take a jaunt in the Space Station that gives a view of America from 500 miles up.

If you are more the earth-bound type, you can take a spin around "Autopia," the freeway of the future, in safe, small-size cars.

Another thriller is the ride in a speed boat that takes you in an island dotted waterway.

By this time you may be hungry. Step into the Space Bar, one of 18 different places in the park where food and refreshments are served, for a futuristic snack that will give you the energy you need to go on to Fantasyland and Adventureland.

... 10-Unit Motel Imperial Beach. Mr. and Mrs. Frank Lebert have sold their home at 1524 Skyline Dr., with 2 1/10 acres of land, and bought a 10-unit motel at Imperial Beach. This was a three-way deal, with the unimproved portion of the Lemon Grove property to be subdivided. The Lebert property brought \$5,000 cash.—D. H.

of stuff that belts my ears, from the 5 p.m. "shoot-em-ups" to the "dear John dramas" later in the evening.

I'll be a mighty slow kid with a buck when Junior puts the arm on me to see whether the rustlers made it across the border or the marshal got them.

To preserve the status quo of my present domestic life, "mutual understanding, tolerance," etc., I won't mention the drama end of TV, but—oh boy, I'll make Shylock look like the last horse at Del Mar.

I have debated several sinister solutions to my problem before, such as heaving the THING out the window, cutting the wire, etc., but since discrepancy is the better part of valor, and my hospital insurance premiums sometimes are in arrears, I hesitate.

Now with the FCC taking a paternal interest in all common men who suffer as I do, at last I see my goal in sight.

I have only one problem. I must lay hands on all loose change around the house, now and forevermore.

Constable and Family Vacation in Yosemite

Claude L. Smith, deputy sheriff and constable in Homeland District, left August 6 with his wife

and child for a vacation in Yosemite National Park. Claude will do some fishing, but mostly sight-seeing. He took extensive camping equipment, and expected to visit several of "see places" in Yosemite. There was a story in a recent Statepost that intrigued Claude, as both he and his wife have planned to visit that territory for years. Maybe he will get close to a bear.—D. D.

NOTICE OF AWARD OF CONTRACT

Pursuant to statute and to Resolution Awarding Contract of the Board of Supervisors of the County of San Diego adopted on August 2, 1955, directing this notice:

NOTICE IS HEREBY GIVEN that the said Board of Supervisors in open session on July 26, 1955, publicly opened, examined, and publicly declared all sealed proposals or bids for performing the work and improvement described in the Resolution of Intention adopted by said Board of Supervisors on June 7, 1955, for the construction of sewers in CENTRAL AVENUE et al in LEMON GROVE, in a portion of the unincorporated area of the County of San Diego, Area No. 26, which resolution of Intention is on file in the office of the Clerk of the Board of Supervisors of the County of San Diego and is hereby referred to for a description of said work and improvement and for all particulars relative to the proceedings under said Resolution of Intention;

That said Board of Supervisors did by said Resolution Awarding Contract award the contract for said work and improvement to the lowest regular responsible bidder, to wit:

Schafer & Stowers
at the prices named in the bid for said work and improvement of said bidder, which said bid is on file in the office of the Clerk of

the Board of Supervisors of the County of San Diego, and to which reference is hereby made and the attention of all persons interested is hereby directed.

DATED: August 2, 1955

Helen Kleckner,
Acting Clerk of the Board of Supervisors of the County of San Diego, Room 308, City and County Administration Building, 1600 Pacific Highway, San Diego, California.

SAY MISTER

YOUR FAMILY NEEDS A HOME FREEZER

Moose, deer, ducks, geese or yellowtail... whatever you bring home, a Home Freezer is the convenient place to store your game or catch.

Chances are that your wife is already familiar with the Home Freezer's many advantages. If she had one, she could store meats, fresh foods, complete frozen meals and all the new modern frozen foods... thus saving herself time, trouble,

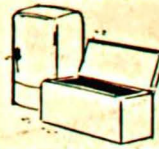

and money. She'd be able to prepare better meals with greater variety in far less time.

Frozen foods, and the Home Freezer itself, are accepted today as vital to our high standards of living. If you have yet to discover the convenience of a Home Freezer, see your appliance dealer today. He'll arrange for you to buy your Home Freezer on easy budget terms.

BUREAU OF HOME APPLIANCES OF SAN DIEGO COUNTY

WILBUR KELLEY, JR., San Diego hunter, fisherman, all-round sportsman says: "Between the two of us, my wife and I keep our freezer filled to capacity. I've found our Home Freezer perfect for preserving the wild game I bring home, and Mrs. Kelley stocks it with frozen foods, complete frozen meals and food she's prepared in advance. Our Home Freezer is really a time-saving, work-saving convenience!"

Re the Proposed Annexation to the Lemon Grove Sanitation District
RESOLUTION OF INTENTION TO ANNEX UNINCORPORATED TERRITORY TO THE

LEMON GROVE SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Austin, seconded by Supervisor Bird, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County:

WHEREAS, R. E. Davis and Grace J. Davis, the owners of certain property in unincorporated territory of the County of San Diego contiguous to the Lemon Grove Sanitation District, have requested this Board (Document No. 183740) to annex said property to said Sanitation District under the provisions of the County Sanitation District Act;

and WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 182-991); and

WHEREAS, investigation of the proposed annexation by the Division of Engineering of the Department of Public Works discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 184970); NOW THEREFORE

BE IT RESOLVED AND ORDERED:

(a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the County of San Diego Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

All that unincorporated territory in the County of San Diego, State of California, described as follows:

That certain portion of Lot 58 of Lemon Grove Park, in the County of San Diego, State of California, according to Map thereof No. 1303, filed in the office of the County Recorder of San Diego County January 17, 1911, described as follows:

1. Commencing at a point in the West line of said Lot 58 which is North 1°34' East 380 feet from the Southwest corner of said lot;

2. Thence South 88°26' East 129.25 feet to the true point of beginning, said point being an angle point in the boundary of the Spring Valley Sanitation District;

3. Thence, along said boundary line, South 1°34' West 220.30 feet;

NEW ELECTRIC RATES

(EFFECTIVE AUGUST 12, 1955)

NEW electric rate schedules, authorized by the California Public Utilities Commission on July 18, 1955, representing an approximate overall increase of 16%, will become effective on August 12, 1955. This is the first general increase in electric rates in 34 years.

The new rates cover all classifications of electric service. Starting August 12, bills for electric service will be pro-rated until a full month, under the new rates, has been in effect. The new rates are based on the present two-zone system.

THANKS, FOLKS
It has been 34 years since I've had a raise

There will be no change in rates for Natural Gas Service.

The Commission's order, authorizing the rate increase, was the result of the Company's application for a rate adjustment filed December 22, 1954. Public hearings on the application were conducted locally by the Commission and covered a period from February 2nd to June 17th.

Customers are invited to call at any office of the Company for explanation of the new rates and how they will apply to their particular class of service.

DOMESTIC SERVICE (Residential)

**Application of Water Heating Rate. The water heating rate of 1.2¢ per kwhr for monthly usage between 200 kwhr and 500 kwhr is available only to residential customers using approved electric water heating equipment installed and used in conjunction with an electric range of not less than 4 kw, having a cooking surface and temperature controlled insulated oven, regularly used for all household cooking. Approved water heating equipment shall be automatically controlled storage type water heaters not subject to manual control, used for the entire household water heating requirements, and not used in conjunction with auxiliary equipment of any kind. The tank shall be efficiently insulated and have a capacity of not less than 24 gallons. The heating elements shall be thermostatically controlled and aggregating not to exceed 50 watts per gallon of tank capacity.

The Company may, at its election and expense, regulate the hours of use of any such approved water heating load served under this schedule.

Multi-Family Accommodations. At the option of the owner or operator, an apartment house, group of apartments, or a bungalow court, on a single premise, may be served under this schedule through a single meter, in which case the kilowatt-hours for all blocks of the energy charge portion of the rate shall be increased by applying a multiplier thereto equivalent to the number of single family accommodations on the meter.

In case one or more of the single family units should qualify for the water heating rate, as specified in Special Conditions***, a block of 300 kwhr shall be multiplied by the number of single-family units so qualifying.

Jack Lopshire to Head 20-30 Club

Jack Lopshire of 3933 N. Bonita was elected president of the La Mesa 20-30 Club at the July meeting. Other officers are Howard Drown, vice president, Lomita Village; Tom Lamb, second vice president, Allied Gardens; Donald Sunstrom, secretary, San Diego; Joe Gluz, treasurer, Severin Manor.

A paper drive, to include Spring Valley and Lemon Grove, has been planned for August 21. The papers cannot be picked up, but a place will be announced where the papers may be taken. Your full cooperation is requested, as the money from the drive goes toward helping the youth of the area.

One of the recent undertakings of the 20-30 Club, as many will remember, was the Bike-arama, held at the schools, for the purpose of teaching children bicycle safety. The children who participated in the campaign will be treated to a free show sometime in September.

LEGION AUXILIARY MEETS FRIDAY

The regular meeting of Unit No. 282, La Mesa American Legion Auxiliary, will be held on Friday, August 12, 8 p.m., at the American Legion Hall, 8118 University Ave., La Mesa.

THE SHOW'S THE THING!

The Grove Theatre continues its fine run of top movies for your enjoyment, this week, Wednesday, August 10, bringing you "Smoke Signal," the Universal-International western saga in color, starring Dana Andrews and Piper Laurie. "Smoke Signal" is one of the better westerns now playing in the San Diego area. Dana is a cavalryman suspected by his fellow officers of being a renegade. He saves his former frontier post from an Indian attack, thus clearing his name. A tense fight down the Colorado River adds to the excitement. The companion feature with "Signal" is the suspenseful pic "The Sea Chase." On the eve of World War II, John Wayne, skipper of a German freighter, secretly exits from a port in Sydney, Australia, with a British cruiser in hot pursuit. Among those aboard the freighter is Lana Turner, a Nazi intelligence agent. Wayne, determined to bring his boat back to Germany, in eluding the British, drives his loyal crew nearly to mutiny, but finally goes down under British fire.

The two features for the Saturday matinee are "Sea Chase" and "Smoke Signal." Starting Sunday, "The Far Horizons" Fred MacMurray portrays Lewis, Charlton Heston is Clark and Donna Reed is the Shoshone Indian princess, Sacajawea, in the color, wide screen story of the Lewis and Clark expedition. "Mambo" has an international cast, was filmed in Italy against the backdrop of Rome and Venice, but is a slow-moving, confusing picture. "Mambo" would be better off as just a dance—not a movie! It stars Silvano Mangano ("Bitter Rice"), Vittorio Gassman and Michael Rennie.—B. T.
